This work is dedicated to my late father, Dr Mohammed A. Aziz - a giant in global health, my mother, Dr Fatima B. Aziz, my uncle, Dr M.A. Pasha, MBE, my late aunts, Dr Kamala Pasha and Amina Shariff, my late uncle Akbar Hossain, my rock Teresa Mongelli, Smile Bangladesh board members past and present, all those in Bangladesh and the USA who support Smile Bangladesh, late Smile Bangladesh members - Imre Redai MD and Lynn Speer, and most importantly to my children, Aydin and Samina.

This work is dedicated to my late mother, Mercedes Marchena, an angel with a heart of gold, who taught us the values of authenticity, humility, and generosity, and also to my sister, Marisol, in recognition of her unselfish participation in humanitarian missions, and my dad, Antoninus, for his steady support.

—Jose M. Marchena

I dedicate this edition to my wife, Blythe, my children, Chris, Jennifer, Heather, Meredith, Craig and Melissa. Also Susan Babcock and Susan Clarke-Roser. All have supported me and many participated with me in the global surgery space. And to all who are working toward the goal of safe surgery and anesthesia for all by 2030.
